Dear All,

You will find below the information to register to the 2018 Council Session, as well as other important information.

Please distribute internally to members of your delegations.

1. Registration

Please ask everyone to register for the meeting using the following link:

EN : <https://moose.cec.org/m/me.cfm?f=76>

When prompted in the registration form, they need to enter the appropriate code:

It is important that all delegates be registered **by 22 June**, after which registration will be closed. Everyone needs to pre-register as there will not be any on-site registration.
